## APPLICATION PROCESS OVERVIEW

---

The licensure process in the State of Rhode Island is conducted by the Rhode Island Department of Health (HEALTH), Office of Health Professions Regulation, and the Rhode Island Board of Pharmacy (BOARD). The Board utilizes the National Association of Boards of Pharmacy (NABP) for administration of the licensure examinations. All licensure applicants must complete and submit a HEALTH application, and all required documentation, **prior** to applying to the NABP for the licensure examinations.

### **Application Process**

In addition to the Board's application, you must submit additional information directly to the Board. All items listed on the "checklist" (page 13) must be submitted for an application to be considered complete. All applications are considered valid for six months from the date they are received at HEALTH. If you do not complete the application process and obtain a license within those six months, a new application and fee must be submitted.

Please allow a minimum of 7 weeks for the entire licensure process to be completed. If you have had disciplinary history in Rhode Island or another state, it may take an additional two or three months for all pertinent documentation to be received, and a decision to be made regarding the issuance of a license. This is an estimate of the amount of time that is required to become licensed, the entire process may take more or less time than estimated.

Only applications that are complete will be declared eligible for the NAPLEX and MPJE examinations. Licenses will be issued within five working days following the Board's receipt of the scores for required examinations. Wallet-sized license cards are mailed approximately three weeks from the date of issuance, and are mailed to the address furnished in the application. It is the applicant's responsibility to notify the BOARD office, in writing, if the address changes during the interim. An address change may be emailed to the BOARD at the following web site.

**[www.healthri.org/hsr/professions/pharmacy.htm](http://www.healthri.org/hsr/professions/pharmacy.htm)**

HEALTH will not, for any reason, accelerate processing of one applicant at the expense of other applicants. Once completed, the application will be reviewed, and you will be contacted in writing. Be advised, you may be required to appear for an interview.

Please continue to review the remaining portions of this application packet for instructions and other materials necessary to complete the Board application. If you have any questions about this application process, or would like to check on the status of your BOARD application, please contact the BOARD at (401) 222-2837.

### **Internship Hours**

Rhode Island requires 1,500 hours of internship hours, as a **prerequisite** to applying for licensure. Unless previously submitted, the applicant shall submit on the **Preceptor Affidavit of Internship Hours** form (page 14), which verifies the hours of practical experience under the supervision of a licensed pharmacist. Each preceptor under whom internship hours were accrued must complete an affidavit. The form may be duplicated as needed. The applicant will not be approved for the licensure examinations, until all the internship requirements have been met.

An applicant whose hours have been filed with another board, must request that board to submit directly to the BOARD an affidavit certifying the approved internship. The mailing address and telephone number for all U.S. licensing authorities can be obtained at the NABP web site.

**[www.nabp.net/whoweare/boards.asp](http://www.nabp.net/whoweare/boards.asp)**

Please, **do not** contact the Rhode Island Board for information on other licensing authorities.

For the first year of licensure following graduation from a college of pharmacy, a pharmacist is exempt from the continuing education requirements. The pharmacist is to write "exempt" on the "first" renewal form after licensure. This exemption applies only to applicants who graduated from a college of pharmacy just prior to licensure.

## **APPLICATION PROCESS OVERVIEW**

(continued)

### **Foreign Pharmacy Graduates**

Graduates of foreign colleges of pharmacy will be declared **ineligible** for the NAPLEX or the MPJE unless **full** FPGEC Certification is obtained through the National Association of Boards of Pharmacy. FPGEC Certification attests that graduates of foreign schools of pharmacy possess education equivalent to graduates of U.S. Schools of Pharmacy. Only the official **FPGEC Certificate** will be accepted by the Board, and it is a prerequisite to applying for licensure.

Information on the Foreign Pharmacy Graduate Certification Program can be obtained by calling the National Association of Boards of Pharmacy at (847) 698-6227, or by accessing the **Foreign Pharmacy** section on its web site.

**[www.nabp.net](http://www.nabp.net)**

Graduates of foreign colleges of pharmacy must attach to the application, if not already submitted to the BOARD, a copy of the degree conferred by the college/university that the applicant attended. This copy must be notarized as a **“true copy of the original”**.

### **Licensure Examinations**

The North American Pharmacist Licensure Examination (NAPLEX), and the Multistate Pharmacy Jurisprudence Examination are computer-adaptive examinations administered through the National Association of Boards of Pharmacy (NABP). The NAPLEX is a national examination, with the scores accepted with all states except California and Florida. The MPJE is a state-specific law examination, and the score is valid only for the state in which application is made.

The registration forms for both examinations are in the NAPLEX/MPJE Registration Bulletin (BULLETIN), along with information on transferring your score to another state. The BULLETIN can be obtained by calling the BOARD office, or by downloading it from the **Examinations** section of the National Association of Boards of Pharmacy (NABP) web site.

**[www.nabp.net](http://www.nabp.net)**

The registration forms, the form to transfer the score to other states (if applicable), and the appropriate fees, are to be sent directly to the NABP at the following address. **DO NOT** mail to the BOARD.

**NABP Licensure Exam  
700 Busse Highway  
Park Ridge, IL 60068**

It is recommended that all forms be sent via a traceable method (i.e. certified mail, courier...) In that the MPJE is a state-specific examination, the MPJE (or alternate state-law examination) would have to be taken in each state in which application is made through the Transfer of Score mechanism. Contact the board(s) for specific licensure requirements of that state. The mailing address and telephone number for all U.S. licensing authorities at the NABP web site.

**[www.nabp.net/howeare/boards.asp](http://www.nabp.net/howeare/boards.asp)**

Please, ***do not*** contact the Rhode Island Board for information on other licensing authorities.

In approximately four days after sitting for the examinations, the NABP will electronically report the NAPLEX and MPJE scores to the BOARD. The BOARD will then mail a notification as to the scores that were attained.

### **Examination(s) Failure**

The BULLETIN outlines the procedure for applying for reexamination, including the NABP's waiting period between examinations. R5-19-PHAR, Section 5.2, of the rules and regulations of the BOARD state that, ***“An applicant who twice fails any licensing examination shall not be eligible for further examination until the applicant has satisfactorily completed additional preparation as directed and approved by the board. This condition on eligibility also applies to each third and subsequent failure.”***

Candidates who fail the NAPLEX or the MPJE two or more times in another state, will not be permitted to become licensed in Rhode Island through the Transfer of Score mechanism. Applicants would have to apply for licensure through the Transfer of Pharmaceutic Licensure process (reciprocity) after licensure in another state.
